SHIMMERING STARDUST

CLOCKWISE:
1 — Arrival at Cotillion
2 — Chuck Warner, master of ceremonies
3 — Couples pause between dances

The night of Jan. 12 was cold. For the second time in two years, snow was still on the ground as the cars of juniors and seniors pulled up at the Cotillion ballroom. Bright lights, the smell of flowers, the sound of laughter and the music of Stan Elliott's band greeted arriving couples. After weeks of hoping and anticipation, the 1963 junior-senior prom, Shimmering Stardust, became a reality.

The prom was half over when, under a lavish chandalier and amid decorations of gold stars, Ken Coberly and Martha Crane were crowned king and queen. Junior attendants were Annette Achenbach and Gary Holland, Linda Vandaveer and Jim Swinney. Senior attendants were Joan McCabe and Jim Randall, Karen McDaniel and Tommy Sullivan. Chuck Warner was master of ceremonies.

Reality has a way of becoming the past. After three hours of dancing and talking, Shimmering Stardust came to an end.

Another junior-senior prom has become history.

The choral groups of Southeast, directed by Mr. James Hershberger and Mr. Howard Jacob, always earn high praise and bring much credit to their school. These groups not only present many fine school musical programs, but they also perform for other schools, community organizations, and church groups. Choraleers, Madrigals and Junior Misses keep up a busy pace of rehearsals and appearances. Girls Glee club, Sophomore Choir, Sophomore Ensemble and Mixed Chorus meet every day to learn music techniques and improve their quality and tone.

Southeast's twirlers and drum major are: FRONT ROW, left to right: Marilyn Cox, Joyce Ely, Cathy O'Donnell, Pat Kildow, and Nancy Keckler. SECOND ROW: Dovie Lou O'Donnell, Rod Jacob and Dianne Wolff.

TWIRLERS, BAND

The gold and white symphonic band of Southeast performed for all the home football games in addition to marching in Wichita's Christmas parade and participating in the musical presentation "Viva Mexico."

The pep band, which usually wears its gold vests and white berets, is composed of members of the symphonic band. This year it provided spirited music such as "Sweet Georgia Brown" and "Rock Around the Clock" at home basketball games.

This year the twirlers increased in number to seven girls. They demonstrated difficult routines during many halftime periods of football and basketball games.

Southeast's district debate team proudly displays the first place trophy for winning the district tournament.

Diligent work mixed with humorous experiences characterized Southeast debaters as they prepared, traveled, and debated this year. The 1962-63 debate question was Resolved: That the United States should adopt a policy of reciprocal free trade with non-communist nations. Hard work through the summer and continual research produced profitable results and made this year's debate season one of the most successful for Southeast.

SENIORS EARN VARIOU

Dave Addis, senior, right, received the "Best Friend" award from Tom Irving, junior class president. Dave collected the largest sum of money for the Southeast Student Friendship Fund champaign.

Sarah Kueck, senior, is the only member of her class who maintained a 4.0 grade average during the last four years.

Members of the class of '63 who possess a 3.90 and above grade average are: FRONT ROW: Dona Flory, Kay Patterson, Frances McAleavey, Bill Burnham, Kathleen Dale; SECOND ROW: David Noller, Mark Bickhard, David Pack.

DISTINCTIONS

Eight seniors were named National Merit Finalists this year. Those receiving the honor were: FRONT ROW: Sonya Missal, Kay Patterson, Frances McAleavey, Sara Gerling; SECOND ROW: Jim Richardson, Mark Bickhard, Chuck Salmans, Nelson Hay.

Southeast's representatives to Sunflower Boys' and Girls' State held in June, 1962, were: FRONT ROW: Kay Patterson; SECOND ROW: Chuck Warner, Roy Allen; THIRD ROW: Wally Brown, Bob Jackson, Bob Igo; FOURTH ROW: Alan Roskam, Mark Bickhard; FIFTH ROW: David Noller.

BOILER ROOM: Earl Hull, R. S. Mow, Bill Patrick.

CUSTODIANS AND CAFETERIA

A crew of 19 custodians keeps the school bright, shiny and in perfect running condition. They are always pleasant and helpful to the students and faculty. At Christmas, Mr. Charles Knight, head custodian, served his annual dinner for the custodians in the home economics department.

The cafeteria is known as the cleanest place in the whole school. Dressed in white uniforms, cafeteria employees start working early in the morning to serve a well-balanced meal to every student. They are assisted by students who work in the cafeteria during their fourth hour study hall.

CAFETERIA EMPLOYEES: Verna Armstrong, Lola Brensing, Edna Carr, Maxine Carter, Mary Clark, Marvel Coverdale, Marion Crockett, Nellie Ferguson, Betty Finkbeiner, Louella Hefley, Evalyn Hill, Noel Hood, Colleen Howell, Kittie Julian, Fanny Lawson, Ruth McFeeters, Etta Melick, Jessie Moynihan, Maude Norris, Audry Reno, Weria Richards, Hattie Smith, Nellie Smith, Ada Talbot, Frances Wagner, Bertha Hastings.

THE STAMPEDE

Members of the fourth and fifth hour journalism classes put out The Stampede every week. Amid a rush of beats, hunting advertising, writing stories, meeting deadlines, proofreading and selling, journalists still managed to put out an eight-page paper and sell and deliver Valentine messages called "Q-po-grams."

CORONATION HIGHLIGHTS HOMECOMING . . .

As the stadium filled for the 1962 Homecoming, expectant faces mirrored uncertainty about the game and the festivities to come. Eager band members awaited a cue; then silence and respect were given while North high was saluted and the Southeast Alma Mater was sung.

Excitement was high as the gun sounded signifying the end of the first half. A formation was then shaped on the field by the Southeast band and pep club. The three finalists were introduced to the crowd while being driven around the field in white convertibles. Dana Griffin, Janet Hope, and Becky Shenk were escorted to the throne by Harold Montgomery, Wally Hinshaw, and Bob Hicks, respectively. Janet Hope was proclaimed 1962 Homecoming queen as Wally Hinshaw bestowed the traditional crown and kiss. The queen and her court reigned over the remaining half of the game from a throne at the sidelines.

As the final quarter ended and a victory was secured for the Golden Buffs, the stadium slowly emptied. Gold and white streamers were seen trailing from the goalposts, and confetti lay on the deserted stadium seats. The faint honking of triumphant students signified the end of the 1962 Southeast Homecoming festivities.

CHALK TALKS AND HARD WORK MAKE THE TEAM . . .

With two returning lettermen, good leadership, and a lot of spirit weighed against a lack of experience, the Buffs opened the 1962 football season. Despite an excellent second half performance in the opening game, the Buffs could not overcome the 19—0 lead Kapaun held at halftime. This loss seemed to inspire the Buffs as they defeated the Hutchinson Salt Hawks, and went on to beat Oklahoma's seventh ranked team, Tulsa Edison, in their outstanding win of the season. The first league game with West high was played in a steady rain to a tie, which later proved to be the deciding point for the city championship. In their only out-of-town game, the Buffs fell to the Shawnee Mission East Lancers. At their next league encounter, the Buffs bowed to East high as the Aces came from behind to win. The Buffs closed the season with two city league victories. Defeating the South high Colonels and the North Redskins placed the Buffs in a tie for second place in the city league competition.

With an overall 4—3—1 record, Southeast placed three gridmen, Wally Hinshaw, Tim Leedom, and Harold Montogomery, on the All-City first team. Second team honors were awarded to Vern Brandt and Terry Kennett, with Pat McKean, Steve Neace, Bob Hicks and David Noller receiving honorable mention.

Coached by Ed Morton, the Southeast team defeated North's team in the regionals for the first time since cross country became a sport at Southeast.

In the state meet, the Southeast team placed eighth. All Southeast runners participating in this meet finished in a time better than the previous school record.

VARSITY PLAYS TO AN 11-8 RECORD.

With four returning lettermen, the Buffaloes entered their 1962-63 season under the coaching of Mr. James Tangeman. Led by lettermen Terry Kennett, Wally Hinshaw, Bob Hicks and Gary Holland, the Golden Buffs placed third in the city league with 3 wins and 5 losses. Oddly enough, the first and second place teams in the city, East and West, were also the first and fifth place teams in the state, thus showing that the city league is probably the toughest in the state. Outside of league competition, the Buffs posted an 8—3 record during the regular season.

The Buffaloes started the season with three successive defeats, but after winning seven of eight games during the month of February, the Buffs closed their regular season with 11 wins and 8 losses.

Throughout the season, Southeast was paced by its three scoring leaders and tri-captains, Terry Kennett, Bob Hicks and Wally Hinshaw. In the game against Wichita Heights, Kennett dropped in 35 points to break the Southeast scoring record which had formerly been 32 points. These seniors were ably assisted by three top junior prospects, Bruce Braden, a tough 6'5" rebounder, Kent Powell, a good rebounder and outside shooter, and Gary Holland, an able playmaker and fine shooter.

The Southeast team, coached by Mr. Marvin Vandaveer, was the only team to capture two first places in the state tournament, held at Southeast. Gary Snyder on the horizontal bars, and Jack Jackson on the parallel bars, each won his event to lead Southeast to third place in the state meet. Dan Dunham finished in a tie for fourth on the parallel bars, and Hershel Prather placed fifth on the horizontal bars in this important tournament.

SWIMMERS PARTICIPATE IN 13 MEETS.....

The swimming season opened with the West high invitational meet, an individual meet at which no team scores are kept. Southeast showed well by winning five events. Benny Peugh won the 100-yard freestyle, Doug Miller the 100-yard butterfly, Jay Allen the 100-yard backstroke and Southeast teams won both the 400-yard freestyle relay and the 320-yard individual medley relay.

After winning four of the six dual meets, this year's swimming team ended its season by earning 15 points to finish in a tie for fifth in the state swimming meet. In this meet, Doug Miller captured the only Buff first place by winning the 100-yard butterfly. Team captain Jay Allen took fourth in the 100-yard backstroke, Lee Schantz fifth in the 50-yard freestyle, and Benny Peugh and John Kegley finished fourth and fifth respectively in the 200-yard freestyle.

Since the majority of the boys are juniors, a good season for Coach Charles Hatter is anticipated for next year.

SOUTHEAST WRESTLER PLACES IN STATE.

Three Southeast wrestlers reached the state tournament this year. Elton Holsey, Harold Montgomery and Dean Morrison, coached by Mr. George Bequette, represented Southeast at this statewide event. Montgomery and Holsey were eliminated during the first round of the meet, but Morrison continued and finished fifth in the 127-pound division.

Since the 1962-63 wrestling team consisted mostly of sophomores and juniors, next year's team looks promising.

FIRST ROW: Montgomery, Kelton, Gaddis, McDonald, Hurtt, Page, Tanner, Morrison, James, Williamson, Ellis, Holsey. SECOND ROW: Hargrave, Hegge, Shay, McCollom, Brooks, Shafer, Bussart, Kice, Langston, Vaughn, Willets. LAST ROW: Horner, Aviks, Yock, Brandt, Wilkonson, Boles, Hinshaw, Hickman, Fletcher, Reynolds.

GIRLS' INTRAMURALS

The girls' physical education staff organized the girls' after-school sports program this year. Hockey, volleyball, bowling, archery, golf, softball, swimming, tennis and basketball were the sports offered. Besides extra points for officiating and participating in sports days, girls also earned points towards a letter through the intramural activities.

Many girls enjoy after-school bowling.

Basketball is one of the most popular of the boys' intramural sports.

BOYS' INTRAMURALS

This year's boys' intramural program, under the direction of Mr. John Zumalt and Mr. Carroll Liechti, included many types of sports during each season. Fall brought tennis, volleyball and football. In winter, basketball, bowling and weight lifting were offered. Spring sports included ping pong, badminton, golf and softball.

CLASS OF '65

On August 29, 1962, 794 young, eager, frightened members of the class of '65 reported to Southeast for their tenth year of schooling, embarking on a new adventure.

Walking down the long, freshly polished halls, they saw a few familiar faces and many strange ones.

Soon, however, they became caught up in the crispness and hoarseness of football games, the noisiness of pep club meetings, the pushing and shoving of C-hall, the stimulation of new courses and ideas — the challenges of high school years.

As the year slipped away, sophomores became more and more a vital part of the school. Class sponsors, Mrs. June Dirks, Mrs. Helen Hageman, Mrs. Mae Keller, Mr. Ed Morton, Mr. Richard Yeargan, and Mr. Dean Hyde, gave welcome advice on such projects as the sophomore assembly and money-making plans.

The end of school year '62-'63 leaves sophomores with only a dog-eared notebook, a handful of ticket stubs, a broken pompom, and scores of new friends and remembrances of their first year at Southeast.

CLASS OF '64

With a whole year of memories and hard-earned experience to their credit, the class of '64 stepped into the exalted position of juniors in September, 1962. With the somehow new sound of the junior class yell still ringing in their ears, juniors returned to school glad to see each other, looking forward to the first football game and the setting of more traditions, welcoming another year.

The year started off with a bang as the juniors put on the junior assembly with the help of class sponsors Mr. Lee Streiff, Mrs. June Nyquist, Mr. Jim Mader. Mr. Harold Durst, Mrs. Betty Monier, Miss Wilma Lee, Mr. Lowell Adams, and Mr. Frank Jensen.

As the year progressed, juniors were right in the middle of everything. They were in the middle of the parking lot jam after school, the middle of the controversial discussion in English class, the middle of the gold and white uniforms in the cheering section, the middle of C-hall before school and after school, the middle of coming and going, in between arriving and leaving.

The year is gone, with juniors looking back on two short years and ahead to one special year. They are ready with a newly-turned ring, and plans for "their year."

CLASS OF '63

The senior is the culmination of twelve years of work, admired by sophomores, envied by juniors, and tolerated by teachers. Like every past senior, he thinks his class is the best, and it always is.

The year came sooner and went faster than any other. By the time seniors felt that everything was settling down and beginning to run smoothly, the score of the last football game was just a memory, the senior play was presented and over with, the senior class fellowship fund was decided upon, and everyone was starting to sing Christmas carols.

But there was still plenty of time and things to look forward to: basketball games and dinners, poster parties on Saturday afternoons, the proms, college weekends, and meetings that run continuously from before school until long after the halls are deserted.

Now the proms are over, the senior assembly is out of the way, college boards have been taken, the year has passed. The senior is now apt to see things not noticed yesterday and things forgotten tomorrow.

The seniors of '63 have been graduated.

southeast is a mixture of fads and fashions. from loafers to cowboy boots . . . from knee ticklers to straight skirts . . . from crew socks to knee socks . . from trenchcoats and raincoats to ponchos and windbreakers . . . from cardigan sweaters to cocktail dresses . . . from sport coats to dinner jackets . . . the students of southeast reflect the inconsistency of fads, the constancy of fashion, the inevitability of good taste intermingled with bad.

Hoofbeats is a book. It contains 148 pages. Yet it is more than just a book — it is a record of a year of hard work. It could not have been produced without the assistance of many persons — coaches, administrators, teachers, students, yearbook consultants, photographers, custodians. It is truly representative of Southeast 1963.

If any dedication were to be made, it would have to include all of you. To all persons who so graciously helped us, the staff of Hoofbeats is deeply appreciative.
